MPLP Summer Law Clerk Training

University of Michigan Law School

Room 132 Hutchins Hall

May 31, 2012

==========

MPLP is sponsoring a one-day summer law clerk training to introduce law students to poverty law practice. We'll cover introductions to the *basic substantive areas* of legal services practice (family, housing, public benefits, consumer and elder law). See attached proposed agenda.

**********IMPORTANT INFORMATION**********

There will be a small fee of $25 for the training to help with costs for lunch and materials; $50 for non- legal service programs. Please make checks payable to MPLP and submit with registrations.

U of M Parking passes will be available upon request (see below), and mailed to you before the training. Our strong advice is that clerks try to carpool, as parking is very limited in U-M campus area. So, the Hill St parking lot (at Hill and Division) is the lot we will have parking passes available for (it's about a good 4 blocks from the law school).

Driving directions are available online at http://www.parking.umich.edu/maps/index.html (choose Central Campus or Ann Arbor Overview)

No confirmation letters will be sent.
